

# Have the Lock Box Come to Your Rescue! It can make a difference!

The La Grange and La Grange Park Fire and Police Departments  
have partnered with the local  
Aging Well Community Action Team to bring you  
the new and improved Lock Box Program!

**WHAT:** A secure box attached to the outside of your house which holds a key to the entrance of your home. This key can be used by the Fire Department to gain access to a residence in case of an emergency, without doing damage to your home.

**WHO:** The program is ideal for seniors or for other residents with special needs or requirements, especially those who can't get to the door easily.

**HOW:** To find out how to purchase and install the Lock Box, contact:

La Grange Fire Department at (708) 579-2338 (for residents of La Grange)

La Grange Park Fire Department at (708) 354-0225 ext. 351 (for residents of La Grange Park)
